

Set the Standard

Apply for the Medical Rehabilitation Management Certification (MRMC)

Set the standard for the role of medical rehabilitation managers and apply for the MRMC exam. Earning this credential demonstrates your knowledge and skills and shows your employers and colleagues your commitment to advancing your career in the specialized, collaborative, and patient-centered field of medical rehabilitation management.

What Certification Can Do for You

- Opens more opportunities for advancement
- Demonstrates your willingness to invest in your career development
- Builds your knowledge of the profession
- Discounts available on registration fees for AMRPA Educational Conference & Expo and other educational offerings

Be Among the First 50 Applicants & Save \$100

Thanks to our generous Diamond Partner, Bioventus, for sponsoring the first 50 exam applicants with a \$100

discount on application fees. Bioventus is a strong proponent of continuing education and professional development in the medical rehabilitation field. Earning the MRMC is a great way to build your knowledge and take your career to the next level.

Be Part of a Growing Community of Professionals

Join the over 150 individuals who have received the Medical Rehabilitation Management Certification! The MRMC is intended for clinicians who want to advance their careers by moving into management roles as well as current medical rehabilitation managers.

Our MRMCs include physical therapists, occupational therapists, rehabilitation nurses, neuro team members, clinical leaders such as nurse supervisors, nurse leaders, therapy team leaders, rehabilitation managers, and anyone who wants to advance their career in medical rehabilitation management.
